SUNDAY 10AM INTERCESSIONS

Prayers of intercession are an important part of our Sunday services, and it is really good to have members of the congregation doing them. This doesn't have to be difficult as one of the main ways of doing this is to read prayers that have already been written. Rev Mark will be running a short (approx 20 minute) workshop to show how to do this. All current Intercessors are invited to attend, as is anyone who might like to consider doing this at some point, or anyone who is interested. Please let Rev. Mark know if you'd like to come to the workshop, and we'll arrange one.

PRAYER WEEK

Each year the Churches Together in Ewell organises a Week of Prayer. People are encouraged to visit a prayer room in one of the churches or to sign up on a list to pray for an extra hour at home.

After discussion at the PCC it was decided that there would probably not be many people who would want to do this and that it would be better to ask people to pray for an extra 5 or 10 minutes every day.

Prayer guidelines will be issued nearer the time. The Prayer Room at Ruxley Church will be open from 9am to 9pm on Wednesday 5th June if anyone wants to use it.

YOUNG FAMILY ZONE

You may have noticed that the display in our revitalised children's area in church has changed from an Easter theme, to Noah's Ark. This is the work of St John's Baby and Toddler Group over the last three weeks. In week one the rainbow was created (sticking), followed by the Ark (sponge painting) and finally the colouring of the pairs of animals in the third week. And at each stage children were also able to take home a small rainbow and animal masks they had made. As we move into the second half of the summer term we will be making owls, crafting for Father's Day and working towards a Summer Seaside Special on the 23rd July.

NEWS FROM THE FOODBANK

"Dear Friends,

Please excuse this extra update but we think it is so important we had to share about an important upcoming event that we are holding.

As you will have seen from our newsletter updates the foodbank is growing and we have now fed nearly 18,000 people. We saw a 44% rise last year and our figures are still going up all the time.

We have become very concerned about the rises and so we have been exploring what can we do to address the increase, in a community as wealthy as Surrey. Is there a way of reducing the demand for our foodbank, can we create an exit plan? We don't believe that anybody in our community should be in food poverty.

In light of that we are excited to be launching the East Surrey Poverty Truth Commission. This brings together people in poverty with business and civic leaders to see what can be changed and how the cultures can be affected.

We are launching the commission on 4th June at Bourne Hall, Ewell and would like to invite you to come, due to your support of what we do. Please see the invitation notice at the back of church. The event is free but you need to book an online place so we can monitor our numbers. Refreshments and a light lunch will be provided."

Polly cannot attend this event so it would be great if someone else from St John's would represent us and report back. Please let Polly know if you plan to attend.
